
Manager Rebate Program

There is a lot of commitment that goes into being a good manager. Menifee Pony rewards those managers with a little incentive to help the league run better. Follow all of the steps outlined below and your child's registration fee may be ABSOLUTELY FREE (up to a \$200 maximum credit) for that season. All actions must be completed prior to the appropriate deadlines.

NOTE: You must pay your child's registration first. This is a REBATE, meaning the registration fees would come back to you after the season, and after rebate form is filled out and returned by you.
